A maximum of 25 items can be checked out to any patron borrower's card. This can be comprised of books or print and non-print materials in combination, per the limits defined above:

- B.) Newspapers and current issues of magazines do not circulate.
- C.) Reference items do not circulate. Exceptions to the policy may be authorized by the Library Director or the Head of Adult Services, due to extenuating circumstances. The authorizing Librarian reserves the

right to establish the loan period for such items, giving due consideration to the reference needs of other library patrons.

- D.) All of the above types of materials shall be available through inter-library loan (ILL), with the exception of an occasional item or items which may be restricted by the authorizing Librarian, in view of local need and demand.
- E.) Books and other materials will not circulate to other libraries via ILL until such time as local demand has been met.
- F.) A limit of twenty (20) "holds" or "reserves" can be placed in the system for any patron at one time.
- G.) Material circulation limitations are as follows:
  - 5 issues of any periodical title
